The Strange Cum Out in October

(Inspired by Lush Puppy)

October, the month that has brought us sweeping Tigers, stumbling Yankees, Bears out of hibernation and masses running 26 miles only to end where they began. October the month that still promises Vampires, Ghosts, smutty female **Satan's**, and drag queens named **Howdy do me** and **Sin-D-Bare**. Today, October hashing lived up to all we expect out of this month of strange cummings:

1. Fruit of the Loom declared his unending love for a female dog, demanded that she be allowed in the circle and asked **Low Beams** to suggest the name **Lush Puppy**.

2. The Hash not only allowed a dog in the circle but also bestowed a Hash name on the 16 lb racist. Annabelle Kotlarski will now be known as **Lush Puppy**.

3. Royal Flush did not walk away with Hash Shit! **Bust Her Hyman** received Hash Shit for purchasing Man Lube in a penis shaped dispenser. Apparently **Bust Her Hyman** mistook a gay sex shop for Sportsmart and purchased Man Lube to help lubricate his 'special areas' during the

Another satisfied customer of Man Glide. Testimonials available upon request.

Long Beach Marathon. **Bust Her Hyman** was heard to say, "The salesman was so helpful he even offered to show me how to apply Man Lube".

4. Pack my Chute and Tit Mitt discovered that they are not only Detroit Tiger fans, but both are from Michigan, and the same town in Michigan. They found out they have the same last name, and they both had a father that went on long business trips. However they skipped through the obvious and only focused on the Detroit Tigers.

5. The following knuckleheads ran the Long Beach Marathon: **Sin-D-Bare, Low Beams, Fish Lips, Turkey Nipples, Sir Lance-a-Nut, Special Ed, Bust Her Hyman and Nice Hair Fag**. People, it's a drinking club with a running problem, not a running obsession!

6. The following knuckleheads did not run the Marathon but showed up to drink beer and according to racist **Sin-D-Bare**, pretended to pass out beer to the Marathoners: **Special Head, Victoria Secretion, Corn Hole Hussie, Gives Good Head and**

I am not Putting "Man Glide" on my feet.

Shoulders, Venus, Massive Two Tits, Fruit, Back Door Whore, Faggety Andy, Pinky, Floatation Devices, Scabby Haze, Royal Flush, Chewcaca, Pirate's Dream and Beaver Bam Bam Balls. Now these people understand the drinking club with a running problem mantra.

7. Bust Her Hyman was dressed in a hot dog wrapper. I think his Man Lube friend gave him the wiener costume. I guess **Bust Her Hyman** is going to be Mr. Man Lube's Marathon wiener for Halloween.

8. The Hares planned a racist rerun of the Beer Mile. Only one important thing to note, **Lush Puppy** won every heat, at least in **Entertainment Unit's** eyes.

9. For you absent hashers one name, **Petting Zoo** Purrrrrrrrr (roll your r's)

10. Cathy Weinburg will now be known as **She Bangs**. What she bangs no one said, but the story seem to involve her two sons, brother **Boy George** and a passed out 19-year-old female.

11. John Zarske was named **Travelers Bitch**. A reference to a horse, a football team and a very bazaar October like fantasy of John Zarske's.

Written by: **He's So Sweet, Entertainment Unit, Lush Puppy** and a 12 pack of Pabst Blue Ribbon. Thanks for the PBR **Floatation**

Today we named She Bangs, Traveler's Bitch and Lush Puppy. Two were framed and one earned their name.

On October 29, 2006, the Hirshberg Foundation will hold their annual 5/10K r*ce at the Veterans Administration in Los Angeles. For the past 3 years, hashers have participated in some manner or another - either by raising money or running in the event to show their support for Mary Tyler Whore (who also ran the event when she was physically able).

Unfortunately, this coincides with the Long Beach hash. The Halloween Hash on that date will be conveniently located near the intersection of the 605 and 5 Freeways so that you can attend both events. In the past, hashers have carpooled both to the event and then on to the hash.

They are dedicating this years' race to MTW's memory. Additionally, On What? has set up a "team." Teams allow participants to raise money (or just participate) in the name of specific people. If you register at <http://www.lacancerchallenge.com>, select the team of "Heather and T.E.N.," which will be in the name of both MTW and Teenage Enema Nurse (who is currently battling pancreatic cancer). We are hoping to get at least 25 team members.

If you think you will participate in the r*ce and would like to coordinate a ride, please contact me (unless you don't live in Long Beach, then try to work it out with someone who lives near you!). In case everyone doesn't remember or didn't know, The Hirshberg Foundation "matched" the \$5000 we raised in June for Connor "License to Thrill" Stevens' college fund by contributing an additional \$20,000. They are definitely a worthwhile cause.

Thanks for listening. PILLSBURY BLOW BOY

RUN # 689

PLACE; Santa Fe Springs

Hares BROOMHILDA & PMS. It's the annual Halloween run, so cum in your costume. From the 605 Fwy, exit at Florence (note – you have to pretend you're going to get on the 5 Fwy, just stay in the far right lane and look for the exit!) Go east on Florence, then right (south) on Pioneer, then left on Lakeland. Park in the far end of the lot (near the cemetery). Does this sound familiar? Check out the instructions for the upcoming run set for 10/29/06 # 1192. The write-up for this run was a cute poem by GREAT SALT LICK noting everyone's attire. But nothing about the run. We do have some Quotable Quotes heard on trail:

HI-SPEED TO POKEY: "Do you have anything under those furs?" (Pokey was dressed as a Viking)

POKEY TO HI-SPEED: "No, because my undies showed".

HI SPEED: "All the hashers will be camping at the fences waiting to help you over."

LIPO TO 8 YELLOW SNOW: "You really enjoy wearing women's underwear, don't you?"

8 TO LIPO: "Yeah, for this kind of stuff, but I wouldn't go to work like this".

LIPO, BLOW-UP AND FRIENDS IN UNISON: "You would if you could".

BOYZ TO 8YS: "Did Twin Peaks get a boob job?" (Twin Peaks had tissues stuffed in her job bra)

8YS: "That's her costume, you moron."

HI SPEED TO STALKER: "I lost the 69 patch I was wearing on my crotch."

Stalker: "Somebody must have swallowed it."
