Let's start at the beginning ,, not at THE END.

## COMMENTARY FROM THE PACK:

**He;s So Sweet: Pinky** really gave it to us. It was hard and good,

**Back Door Whore : Faggedy Andy** got poison oak. I don't know where he got it.

**Snatch of the Day:** I opted for the turkey trail. It was a good choice. I got in before **Howdy**. **Stumbelina** and **Zack** didn't come in until down-downs started.

**Boys R Us:** I saw the hares on a hill waiting for people to catch them.

**Necrofisiac:** I walked the turkey. It was hot and hilly and I had too much beer the night

Before. When the eagles came in they were wiped out, scratched up and bloody.

**Shoulda Been Gay: Wild Bill** got a group lost. He said he knew they way. He was really trying to lure **Down Wendy** off trail. My wife was kissing **Wet Clam** while I was lost.

**Stumbelina** comes out as part of the pink contingent.

**Massage a Twat:** Awesome trail – I fell on the downhill a couple of times.

**Ignorant F@ck: Howdy** did the eagle. I did the turkey. **Howdy** got made because I won.

**Passing Wind:** Pretty Good. I missed the eagle split because I followed **Wild Bill**. Don't do that! That was a big mistake.

**Victoria's Secretions :** There was a lot more orange in the crowd than pink. **Iggy** ran the turkey and took **Royal Flush** with him. Don't forget to mention that **Pinky** gave **Geezer Teazer** a promise ring.

**Hurry Up!  
Come on  
out. It's  
my turn.**

**Has Crack defected  
to the dark side ....  
The orange side?**

**FROM CORN HOLE HUSSIE'S  
HASH SONGBOOK**

**DOES YOUR BUM HANG LOW?**

Does your bum hang low  
Can you swing it to and fro,  
Can you tie it in a knot,  
Can you tie it in a bow?  
Is it big and pink and round  
Does it sag right to the ground?  
Can you do the double shuffle  
When your bum hangs low?

So drink it down down down down ...

**Hey, who  
let the  
drunks  
play with  
Buster's  
camera?**

**Say it loud –  
I'm pink and  
proud!**

**Which  
one of  
you guys  
is Better  
Hung  
Than  
Bug?**

**DO YOUR TITS HANG LOW?**

Do your tits hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them  
Over your shoulder?  
Do you need a boulder holder?  
Do your tits hang low?

So drink it down down down down ....

**TAKE IT IN YOUR HAND MRS. MURPHY**

Take it in your hand Mrs. Murphy  
It only weights a quarter of a pound.  
It's got hair round it's neck like a turkey  
And it comes when you shake it up and  
Down down down down.....

**BICYCLE BUILT FOR TWO**

Daisy, Daisy give me your answer true.  
Daisy, Daisy, wouldn't you like to screw?  
I really must berg your pardon  
But I've got a hell of a hard-on  
From beating my meat against the seat  
Of a bicycle built for two.

**WRITE-UP FOR THIS RUN  
NOT RECEIVED BY THE  
DEADLINE.**

RUN # 855

PLACE; CARSON

Achtobeerfest. The start is at Kmart in Carson on Torrance Blvd. Hares LAST TRAIN, SIN D BARE and LITTLE WHOPPER (now a copper). We had a new boot, Kurt Markham, who was soon to be named JESUS CHRIST SUPERSCAR. Some of the hashers thought this was going to be their lucky day as the run start headed toward Alpine Village. But alas, trail did not go past the entrance to the beer-laden palace. Instead we were destined to jump the first of a dozen fences. DOUBLE ENTRY got tired of scaling these fences, so he busted down a fence that had a huge "No Trespassing" sign posted. A local cop stopped by the scene. It was DOUBLE'S good luck that the cop was a former hasher. After this minor incident, we went through a high-class ghetto. Most of us found out very quickly that this trail was a short-cutter's wet dream. True trail was five miles, while the shortcutters ran maybe 2 ½ miles. Etched into the sidewalk was "BEER NEAR". HI HO treated us to a commemorative bottle of brew; those of you who partook of this nectar probably still remember it.
