Hash Hotline: (562) HASHITT

August 24, 2006

Hash Website: [www.lbh3.org](http://www.lbh3.org)

## NO TITLE

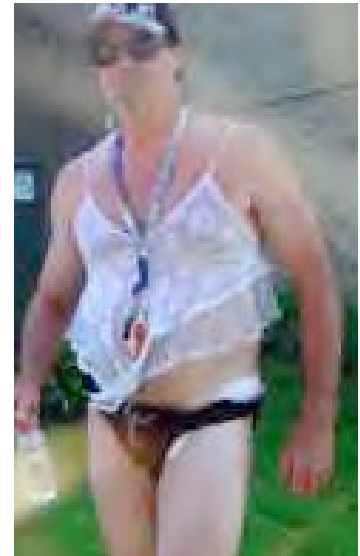

Ok, this is going to be brief, like ROYAL FLUSH's outfit. I was asked to do this write up by the hares, so blame them if you don't like it.

Let's begin. Some hottie with a camera was interviewing some hottie hashers in lingerie. That was interesting. Then we went on trail through the car dealers then along the railroad tracks then through the beautiful city of Bellflower, through a park where teenagers were smoking pot under the bridge. Along the riverbed through the horse trails where CUM NAIL ME pushed me down and I twisted my ankle. On across Studebaker and back to the start.

Down Downs had TOMMY FULLFIGURE guest beerbitching and handing out blue wristbands for all the happy people who received received a down down. BTW, TOMMY thanks for hopping the fence and letting the world be your urologist and showing us what you were bringing to the party. Some people had birthdays, patches, and hash crimes. Who the fuck knows who got hash shit and does anyone really care?

HOWDY of course out shined all the women and men in his high heeled pink tennis shoes and blonde wig. We should all aspire to your greatness.

On On On who was a Mexican place and if you went you know what happened, cuz I sure and the hell did not go.  
On Out

**WHIP IT OUT**

(to the tune of Take Me Out to the Ballgame)

Whip it out at the ball game  
Wave it round in the crowd  
Dip in peanuts and crackerjacks  
I don't care if you give it a whack  
Cause it's beat your meat at the ball game  
If you don't cum it's a shame  
Cause it's one, two,  
You're covered in goo  
At the old ball game.

**HASH HOUSE SONG BOOK**

**DON'T SAY NO**

Oh my darling,  
Don't say no  
Onto the sofa  
You must go.  
Up with your petticoat  
Down with your drawers,  
You tickle mine  
And I'll tickle yours.

**By LBH3's own Alouette Blewinsky**

Date: 8/5/1999 Run # 789

Location: Seal Beach

The 2<sup>nd</sup> Anal Monica Lewinsky Blew Dress Run was again located in Seal Beach. All the hashers were dressed for the occasion by wearing stained Blue dresses (with most stains above, rather than below, waist level.) Hares LITTLE WHOPPER and IGNORANT FUCK were off laying trail down Ocean toward Main Street. The 1<sup>st</sup> beer check was at Clancy's. We headed up Main Street toward PCH. Trail took us into a residential area where we found IGGY's entire family at home, manning beer check #2. From there the pack tripped up the street to the swamp down an asphalt road between two fences and found beer check #3. Back up on the street, the pack stumbled down Studebaker, jumped the fence into the shiggy/swamp to the bridge at PCH to – guess what? – beer check #4. Don't remember how we got to the On-I n, but it was at the end of the rock jetty south of Seal Beach. POOR AIM used: a) his Hulk-like strength, b) his head, or c) KAMMONAWANNALEIA to move a log over the spikes to get into the locked parking lot. IGGY stopped by his house for a quickie, so was late getting the bag wagon to the end. Another great Hash. What happened to the new boots on this run? Loree Saunders – later named TIT FOR TWAT, never seen since her naming. Bob Felder – came 2 more tomes, Michele Walker, Jesse Caro, Paul McNicholas this was their only LBH3 run, Kevin Boudreau later named CRASH TEST DUMBASS has returned twice since his naming.
