

It's not easy being green...

But does the hare remember the people he wronged at Hashtravaganza?

## A Contender for Trail of the Year? NOT!

By Take a #

To run or not to run...that is the question as rain was coming down in big drops. But we are hashers, so off I go to Hacienda Heights to see what kind of trail **Dickoreater** will cum up with.

A small crowd was gathered as I approached **AT&T** to see what the commotion was about. It turned out that **Dickoreater** will never let **AT&T** co-hare with him again (thank you God) so she decided to be Betty Cocker and made corn muffins with something called butter honey. Is this your idea of carbo loading us so we won't catch your sorry a\_\_? Hmmmm,..... it probably worked but more on that later. Oh yeah, I almost forgot about the cider with vodka. Please **AT&T**, don't drink it all!

Amazing, the sun is coming out as I hang out with **Alouette** and **He's So Sweet** to see who is checking in. I'm impressed **No Tickee**, you rode 23 miles from Long Beach on your bike to get to Hacienda Heights through rain, sleet, snow? Two returners check in, **Never Enough Beaver and Fart and Smile**. And some of our regulars, **Cums in a Tube**, **Always Juicy**, **Black and Blood**, **Broomhilda, JC, Finger in the Dyke** (heck, there goes the weiner award this week for me), **Free Samples**, **FungusAmungus, Pinky, HighSpeed Copulator, Howdy, I Dream of Weenie, Jock, SinDBare, Little Dutch Boy, Moan-A, OFF, Pig Iron, PMS, Psycho Bitch, Salt Lick, Scabby Hayes, SumDum Chick, UnderCover, Wild Bill, StilletHo**. If I forgot you....sorry.

So the solo hare is off. What is missing today? It is unusually quiet with no one calling off time. Wow, **no Fruit! Wild Bill** steps in for the time recorder and yells, Get Out! Not quite the same **W.B.** Did I mention no bag wagon? I guess we're doing an AtoA. In case you get lost, we can always find our way back.

The pack is off and we leave the parking lot to find a hill straight up some shiggy. Already, this looks like a great trail. After the third or fourth hill, I'm not quite as sure. We do some ups, downs, curves, switchback or

two and as I cum up behind **J.C.**, I hear him say, God Damn Sadistic Bastard! Was he not enjoying himself?

I wasn't prepared for a ballbuster run today and was hoping to see a beer check soon.

About three-fourths into the run, there it was. Thank you!

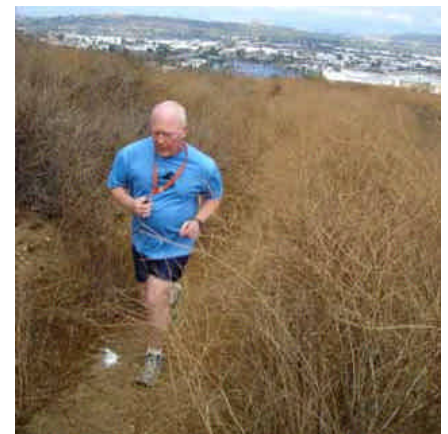

All I remember after this was wanting to get to the end. Coming back into the park I knew it was close and we're done. It was a great run but next time

**Dickoreater**, you need to hare with me for a contender for Trail of the Year! #

There's Never Enough Geezer on trail...

... while Pinky searches for the nearest theatre showing of High School Musical 3!

"Spill the dirt, kids... I'm not the scribe. It's Take A #!"

**STILLET-HO** the co-scribe here, All I can say is that if this trail was being judged for how much bitching,whining and moaning (not the good kind) that was being done it would be a contender or at least on par with the "death trails" that **BLOWJACK** hares. I have only two tales to tell from trail ,the first is when I was trying not to slide down a VERY steep ravine and **PEANUT ENVY** comes up behind me and says " Stillet-Ho, you have to take light little girl steps, and not put all your weight on your feet" thanks **PEANUT** but where else would I put my weight since you didn't offer to carry me! The next was as I am going up yet ANOTHER HILL I come upon **PADDLE ME SILLY (PMS)** who say's " don't wait for me, I am sore from running a 20 miler yesterday" just when I was feeling good for passing one of our "older" hashers I was properly schooled and oh yeah, he had already **SNARED THE HARE**. I thought well I will comfort myself with beer at the beer check, **WHAT BEER CHECK!!!!** By the time we got to it I thought we defiantly earned it and "do I have to leave any?"

We are in, the sun is shining, the beer and snacks are flowing. Hashers are coming in hot,sweaty and ready to throw each other to the pack for down-downs. We had a couple of visitors, **MIA** from LA, who has yet to utter the words" who made her cum" she took so long giving or should I say not giving her name that I forgot who the other visitor was, Oh yeah it was the elusive **COME ON MY LONG RIDE** who is at a lot of runs but never has his picture taken, I got you or should I say I made sure that our hash flash **SNATCH OF THE DAY** got you several times. I talked to some Harriett's and they agree you don't look so bad, we will be happy to take pictures with you next time. We had a down-down for "THE DAY OF THE **ALMOST DEAD**" AND **BLACK AND BLOOD, PINKY, WILD BILL SCABBY HAYES** and a couple other of our more seasoned hashers went up for a down-down. **BUCKSHOT** received a patch but I can't remember what for because all I keep seeing is her looking for her patch on **JUST ED** who is at least six ft. tall and at one point on her knees, this already tiny harriette looked like a pedophiles dream.

Time for **HASHSHIT** nominations **SHE BANGS** was called up to stand in for **TITTMIT** who had **HASHSHIT** but, wasn't present. **SHE BANGS**, gave the first nomination to **TITTMIT** of course for not being there. **PINKY** was called up but no one could

decide why, **SIN D BARE** for giving **QUINCY** to a Chinese restaurant or was it for leaving his "HORSE" on trail we couldn't decide. **FUNGUSAMONGUS** for claiming he ran "THE EAGLE" when there wasn't one, **AT&T** for not knowing what the "BALONEY PONY" is and **DICKOREATER** for her lack of education, but **HASHSHIT** went to **DANCING QUEEN** on a backfire nomination, he called up **STAY OUT STAY ALIVE (SOSA)** for coming but, not walking/running because she claimed that she went on a long bike ride this weekend with a **FRIEND** and was too tired, the pack agreed that she was walking funny and looked very happy and if she wanted to say it was because she went on a ride, that is acceptable **HARRIETTE** behavior.

All in all a very good trail thanks, **DICKOREATER**

**ON-ON**

**STILLET HO**

"Come on, ladies... Check my pants for the trail..."

**Necrofisiac** indicates the kind of "trail" he found...

Someone is looking for trail... or is is her only Shot at a F\*ck?

**This Date in Hash History**

Run # 1250 Date: 11/11/2007  
Place: Montebello  
Hares: Blojak

The Trailmaster apparently could not see into the future and allowed BLOJAK to hare a Long Beach Trail in Montebello... or maybe the Trailmaster was attending GROUND CONTROL TO MAJOR TONGUE and CUM NAIL ME's wedding.

While the trail showcased some impressive shiggy in the area, including a number of stream crossings, a long sojourn in oil fields, and endless unbreakable checks, ultra runners like PILLSBURY BLOW BOY and SPREAD'EM BITCH felt that they might have gotten a better workout had the trail been longer than its 8 miles.

The run was notable because of the naming of Hot Semen Savor (Hot Semen from the men, and Semen Savor from the ladies), and the inspiration for the starting location of Hashtravaganza (where BLOJAK tried to kill FUNGUS on a 69 mile trail).

Just 5 days later, BLOJAK hared an 11 mile Thursday night Chapter 13 trail. Well, the hash is about QUANTITY, not QUALITY, right?

We made it to the end of the Snooze!

"I have a feeling, PMS... that we're not in Cleveland anymore."
