Long Beach Hash House Harriers Hotline (562) HASHITT 12/14/2008 www.lbh3.org

## A Day of Sake, Now Let's Eat Sushi

On an open air field with overcast skies, the hashers gathered together in Los Angeles, California for fun, beer, shiggy, and geisha girls. **Phallus In Pornoland** dressed in a hot skimpy blouse and tight-ass shorts passed kamikaze headgear to hashers. Then she griped that LAH3 didn't show up for today's hash so fuck 'em. Yeah they won't see any tits and ass today those poofers, sneered **Absolut Whore**. Gee, talk about a surprise spat attack in nearby Little Tokyo, and all the while **Pinky** pretended to have a toothache, **Shaggy Dog** was still in a haze, **Hurl Necklace** was looking hot, **Detachable Penis** mumbled about losing his p---, **Chin Ball Wizard** drank his beer, **Morning Cocktail** was a no show, **J.C. Superscar** passed out the Bailey's and Cream, **No Tickee, No Lickee** boasted he can beat Lance Armstrong in a race, and **He's So Sweet** claimed the Chicago Cubs will never win the World Series.

**Harry, is that the chicken dance you're doing?**

**Head, who said head? I'll have some of that ...**

The hares **SinD Bear** and **Phallus In Pornoland** took off without **Donut Ho** who arrived late with a massive hangover, and demanded another alcoholic drink from the **Last Train To Cuntsville** beer van. Then the hounds took off into the corn fields and disappeared into the landscape. So at the back of the pack, **Donut Ho** and **Ben Dover** noticed heads bobble up and down from a bridge rail and heard **Fruit Of The Loom's** horn wailing away. We noticed the FRB's were running towards the hills which persuaded a lot of hashers to ditch the torment and run back. **JOCK** decided to run East and we didn't see him again. We opted to jog into Chinatown and we were quickly joined by **Buster Hymen, Frozen Cum, and One Left One.**

**Looks like Phallus got leid!**

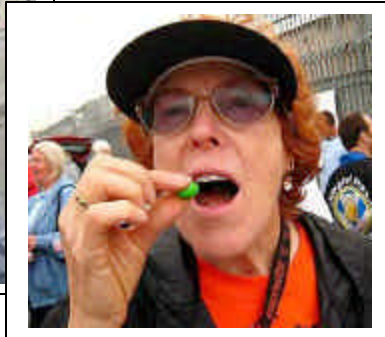

**Wow – he really IS pink!**

**Yes, SAKE is Japanese Rice Wine. Kampai! Kampai!**

**Hungry  
Harriettes!**

**Commander, I think our invasion of  
Little Tokyo went rather well.**

After greeting the local folks and tourists who couldn't help and wonder why we had red circles on our foreheads, our rogue pack found trail and we jogged up another hill and found a black plastic bag full of cold beer and water. Sapporo suds were awesome while the FRB's trickled in one by one with the likes of **Dances With Squirrels, Damien the Antichrist, Chin Ball Wizard, Pinky, and Poor Aim.**

The hares took the pack into Downtown L.A. and then into Little Tokyo. A parade of hashers passed us; **Blojak, Hurl Necklace, Shaggy Dog, Necro, Last Train To Cuntsville, Marquis De Sade, Captain Hook, No Tickee No Lickee** on his bike, **SOSA, Waddling Wanker, Hairy Twatter and She Bangs.** For an urban street run it was pretty good except everyone missed the sake check because **SinD Bear** got too cute in hiding it.

A truly shitty bonsai hash,  
**Ben Dover**

**That was fun.  
Let's do it again  
next week.**

**You look just like the  
guy on the t-shirt.  
Imagine that!**

**I'VE ONLY HALF A BRAIN**

Melody - If I Only Had a Brain (From the Wizard of Oz)

By Jim "Whiff" Montgomery of the Pittsburgh HHH

I could wile away the hours,  
Searchin' hills for flour,  
Across a wide terrain.

I'd be chipper, and I'd be cheerful,  
If my stomach had a beerful,  
'Cause I've only half a brain.

With my arms and legs akimbo,  
I'll be chasing after bimbos,  
Through mud, thorns, and rain.

I'll be making lots of passes,  
As I fondle all their asses,  
'Cause I've only half a brain.

**CHORUS:**

I'll do down-downs till the keg begins to spit,  
Then I'll fire one up and take a little hit,  
I'll impress the women with my charming wit,  
As I shout out, "Show us your tits!"

Then my beer I will be sharing,  
With them as their breast they're baring,  
Our urges unrestrained

Oh, our language will be rude as,  
We exchange bod-i-ly fluids,  
'Cause we've only half a brain.

**THE HARELINE IS OPEN FOR JAN 4 (LBH3's 24<sup>th</sup>  
ANNIVERSARY) and also 1/11 and 2/1 SUPERBOWL  
SUNDAY – Sign up with POOR AIM!**

## THIS DATE IN HASH HISTORY

Run# 1032 Date: 12/14/2003 (5 years ago)  
Place: Elysian Park, Los Angeles  
Hare: **SIN D BARE**  
Miles: 5 Attendance: 67

Scribes **WET CLAM** and **KRABS R US** spent more than half of their write-up dishing dirt on who was doing what with whom at the start of the run. They did, however, mention that hare **SIN D BARE** was covered from head to toe with flour when he asked them to scribe the run. He explained that he was out prelaying the eagle/turkey splits. OK. The scribes also claim that when the pack was off, they kept tripping over sex toys and finding gay porn the entire length of the trail. In fact, those were about the only details of the trail that they mentioned, besides the fact that there were 2 beer checks. They reported that during down-downs **BACK DOOR WHORE** and **HOWDY DO ME** did a skit promoting Found'er Balls, and that **HOWDY** had on a particularly nice red sequined gown and a strawberry blonde wig. **HARD DRIVE** (200), **AFTERBIRTH** (100) and **PINKY** (169) received patches. **SIN D BARE** was awarded the hashit for an obviously used sex toy that **CLAM/KRABS** claimed that **SIN D** dropped on trail. The on-on was at Phillippe's, a cultural and gastronomical landmark that the scribes referred to as "some dip restaurant".  
P.S. **ALOUETTE'S** year-end run summary states that there were canyons and ravines and that the trail was well-marked.
