## Another Legendary Hash starting at Star Wars Park Bachelorette Hash

Harriet Phallus in Pornoland represented the Bride from the U.S.A. While Harriet Wynonna Juggs sported the Colombian flag representing the Groom. Third Harriet, 2 Yung 2 Du shouted out Harriet Lies of 5 million beer checks and the 3 hot Harrietts headed off down 5th St. The trail immediately headed through shiggy which dumped the pack out on the golf course. Some of our male pack leaders were chased down by a golf course employee in a golf cart and yelled at to exit the golf course. It's great being a woman and here's one reason why, when my 3 new boots, my boss Just Alli, co-worker Just Randi and long time friend Just Allison were spit out of the shiggy onto the golf course they received compliments and smiles from the same male employee on the golf cart, when he encountered the Harrietts.

*..let the fun begin!!*

The pack continued through more shiggy and crossed Loynes to a water front trail through the wetlands and into the Yacht Club parking lot for an AWESOME beer check of Gatorade and Vodka and the other golden nectar we all love, BEER! Onward for the pack down Loynes Dr. and through the bike path weaving their way to the 49ER where they treated LBH3 to 14 free pitchers of beer in honor of Obi Juan E Coli and 2 Yung 2 Du's upcoming nuptials! (Cue the song, "I Love This Bar") The pack stumbled back to Star Wars Park, some later then others on account that the bartender's at the 49er never stopped serving hmmm, Wild Bill and Sponge! Down Down's were fun complete with LBH3 strippers for the Bachelortte!

On On,

The Future Mrs. E Coli

*...Cousin It's long lost other cousins...*

### **REHASH: THIS DATE IN HASH HISTORY**

Run # 419 Date: 11/1/1992 (19 years ago)  
 Place: Bellflower Attendance: 46 Miles: 6.5  
 Hares: BROOMHILDA and GOLDIE YAWN  
 Of the 20 Halloween hashes that  
**BROOMHILDA** co-hared with assorted partners, the 6<sup>th</sup> annual event was the only one that was a Halloween Hangover Run, held the morning after on 'All Soles Day'. From the low attendance, one can assume that everyone had way too much fun at the OCH3 Halloween run (or trick or treating) the night before. Anyway, hashers gathered at Carruthers Park, located up against the San Gabriel River near the 91 Freeway. Scribe **PUBIC SPEAKER** reported that the pack took off after the hares who led them through a hole in the fence behind a baseball diamond and onto a path under the freeway and to a check at the railroad tracks. Costumed hashers ran over a railroad bridge and along the river trail and onto some residential streets. **PUBIC SPEAKER** ran into a shortcutting **FUNGUS** near 183<sup>rd</sup> Street. **PILE DRIVER** and his son **DEMON SEED** also did some shortcutting as they went looking for the closest cemetery, a traditional feature of Halloween trails. A check at the river and South Street led the pack up through some ice plant and into another park. After the beer check attended to by **ELVIRA** dressed as a French maid and her son **MASTER DATA** (dressed like a Trekkie, of course), a tour of Cerritos and the outskirts of the mall, the pack arrived on-in at a park on Studebaker. Grandmasters **3M** and **TORT TART** led us in down-downs that included awarding best costume prizes to 60's free love chick **PLATYPUSSY** and **NO DOUCHEE NO NOOKIE** aka Julius Seize-Her. **BROOMHILDA** and **SLEAZY RIDER** also drank for both being dressed as Lady Godiva. **BLACKJACK** won the hashit for corrupting young boys. The on-on was at Guadalajara.

### **HASH HISTORY FROM 25 YEARS AGO - OCTOBER 1986**

Run # 89 on 10/5 - The naming committee serves up a double header with Just Ray and Just Libby being dubbed **STIFF JOINT** and **LOOSE JOINT**, respectively. Run # 92 on 10/26 - hares **GLIDER IN** and **HOTWIRE** attempt to lead the pack through Harbor Gateway. Only 4-5 hashers find the on-in and the run ultimately wins **WORST TRAIL OF 1986**.
