

# LONG BEACH H3 SNOOZE

Hash Hotline: (562) HASHITT

October 6, 2011

Hash Website: [www.lbh3.org](http://www.lbh3.org)

*I did not fucking sign up to do this.*

*Fuck u Hairy Twatter!*

*I was told I was doing this after drinking many "adult sodas", so don't expect a whole lot. My memory may be vague, and I'm also on my second bottle of wine writing this as I had to be drunk to do something I didn't want to do.*

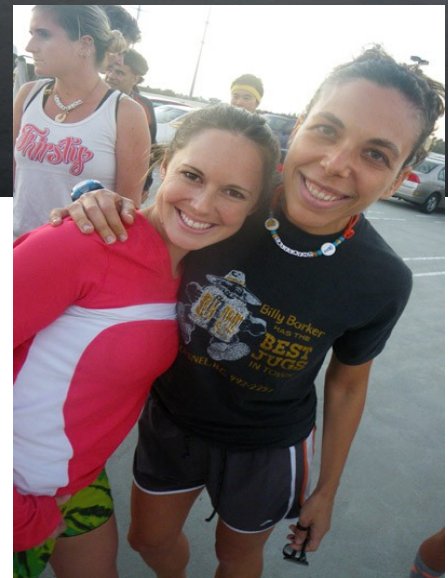

*My first thought, great, the same HB bullshit trail as last year. First thing I saw was another damn beaner selling paraphernalia out of his car (aka JAKOB).*

*Again, fuck u Hairy Twatter.*

*Trail starts off just as I expected, yay, another hash through Goldenwest College---and before I knew it I felt like a Mexican headed for the US border. Good thing I had my ID. I can't believe they shoved all of us drunk fucks into a Uhaul, except for a few of you dip shits who didn't make it---haha you missed out. It was fucking hot and Chinball wouldn't stop singing that damn "Jesus can't go hashing" song, but at least we had beer to cool us down and tune him out. Good thing Ass Hunter was laying trail and didn't get the opportunity to fart and smell up the truck, at least 10, possibly 15 of you would have vomited....speaking from personal experience, THANK GOD!*

*Really Hairy?? Fuck u!*

*Those assholes opened the roll up door and we had no idea where we were...for all I know we could have been in Santa Ana...and not the good part. I soon realized I was in the Bolsa Chica Wetlands, and it was dark! While on trail, a new boot soon realized that it was "ok to pee in public." Welcome to the hash baby! I was pleasantly surprised that the trail wasn't your typical bullshit Long Beach street and alleyway "shiggy" trail. This trail was clearly much better than every other Long Beach trail I've done this year, no seriously. By the time I had my second pudding shot (thanks Ballsy), my memory of what happens next quickly deteriorates.*

And one more time, **FUCK U HAIRY TWATTER!**

Before I knew it we were being herded like cattle to back to the Uhaul. I wish I could have herd that chicken dance song that was apparently playing on repeat in the Uhaul, thanks Chin! We couldn't hear it! Good thing that "one beer check" happened to be fully stocked and mobile!! By this point, all you runners smelled like "Bigfoot's Dick," again, from personal experience.

Really Hairy?? Fuck u!

Little did I know we were en route to that fucking trashy Beach Girls Bar where the bartenders were wearing whory "bathing suits" (not to be confused with Outwhore Shit)

We proceeded to get trashed on our own money, fuck you Harry, for not buying a pitcher, at least for me. Thanks again Balls for the pudding shots!

See what I mean, **FUCK You Hairy Twatter!**

Trail gets fuzzy from there, I'm honestly not sure how I made it to the end. I think I owe Jane Fondle an atta girl for the ride! Down Downs are a complete blur; did JAKOB get hash shit again?? Because I don't remember...

Harry you're a douche bag.

I really enjoyed that sausage I had at Old World, literally and figuratively. And the Beer was pretty good too!

**FUCK YOU HAIRY TWATTER!!**

I vote trail of the year on that one for sure!!

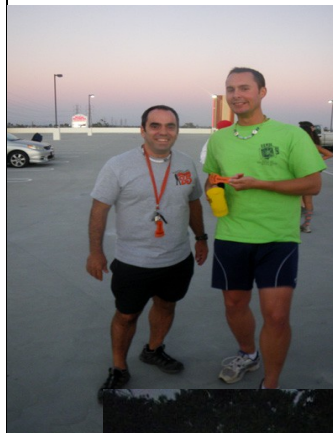

OnOn, DP. (Donkey Punch)

### REHASH: THIS DATE IN HASH HISTORY

Run #630      Date: 10/6/1996 (15 years ago)

Place: Whittier Narrows

Hares: MR RAT'S ASS and TAKE A #

Miles: 8 Attendance: 51

This was the probably first, last, and only official One Night Stand in hash history. **MR RAT'S ASS** and **TAKE A #** hosted an informal tent campout in Bicentennial Park so we could all roll out of bed in the morning to hash in Whittier Narrows. The campground had showers, BBQ's, a fire pit and beer-drinking sanctuary, all for \$6.00 per head. Those who camped gave the location rave reviews and we swore we'd do it again, but we just never did. After morning mimosas, the campers and the rest of the hash met in front of Golfland for the Sunday morning trail. **MR RAT'S ASS** and **TAKE A #** took off into the Narrows and were soon besieged by shortcutters. While **RAT** was hiding in the bushes from **PIG IRON** and **FUNGUS**, he spotted **REAR ADMIRAL** coming from another direction. After he was snared by **DINGED UP DICK** and **HERMOANICA**, he was off on trail again. He led the pack through the oil fields and spotted more SCB's on the San Gabriel Blvd bridge. He then headed towards the river where he was snared by **SIN D BARE** and **BOYS R US**. Once on the other side of the river, he was snared again near the beer check by **ONE LEFT ONE**. He made a beeline through the park and was caught by **JOCK** and **WET FURRY THING**. The Highway Patrol was hanging out at the point **RAT** wanted to cross Rosemead Blvd., and he knew that they'd bust him for jaywalking if he tried to make a run for it. The officers escorted **RAT** across, and he told them that there would be more runners following shortly behind him. After **FURRY** caught up to him and encouraged him along with the words "hurry up Rat, you slow motherf\*&^er", **RAT** spotted **POOR AIM** and knew that another snare was sure to come. Fortunately, this was within the last 5 yards of trail, and **RAT** could finally breathe a sigh of relief. Down-downs were mercifully short and included acknowledging **POOR AIM**'s 400<sup>th</sup> run and awarding the hashit to **TWINKIE** for saving **EZ GOIN'** from a briar patch. The on-on was at a Mexican marisco joint where the food and beer were cheap and plentiful.
